After the first year, SRS/CT's maximum liability is the original cost of the Product used on the roof reduced by 8.3% for 12-year warranties and 10% for 10-year warranties during each subsequent year, less any costs previously incurred by SRS/CT for replacement.

**Note: The Owner is responsible to repair leaks promptly to avoid water damage, including mold growth.**

Inspections by Owner shall take place at least on a semi-annual basis and shall be documented. Periodic inspections are the Owner's responsibility and shall include such things as making minor repairs, cleaning off debris, cleaning filters and gutters, unclogging drains and removing standing water. of the alleged defect as well as photographs. Owner shall grant access to the entire roofing system as necessary for SRS/CT to investigate the claim. If access is not granted, SRS/CT shall have the right to determine, at its sole discretion, that this Limited Warranty is void as to that portion of the roof to which access is denied. SRS/CT will only reimburse Owner for essential temporary repair expenses of Product that would have been covered under this Limited Warranty, excluding labor costs.**
